ADA Angers-

I'm writing to confirm that I received your request for subpoena for the [REDACTED] case scheduled to go on October 30, 2009, and that I am available. However, there is no mention on what time you will be needing me there. I know that most summons say 8:30, but as we both know that court isn't even open yet. So, do you want me there at 8:30 anyways, or should I show up at a set time later in the day, or would you prefer to have me on call? Thank you for keeping me informed.

Respectfully,

Sonja Farak (Drug Analysis Lab)
